

Recently accelerated Level 2 Cadets (2B) have been assigned a set of readings to supplement their regular weekly training. These readings include important information that has not been covered in previous classes.

To complete the readings, **read the instructions all the way through**. Important points are **bolded**.

1) Listed below is the set of lessons that cadets are required to read. These lessons can be found in the PDF link [here](#).

2) Take **notes** on these lessons. Cadets are expected to write 2 -3 sentences per lesson. The goal of the readings is to identify the lesson objectives and applications of each lesson.

3) Finished notes can be sent to the following email address: 692accl@gmail.com. Please include your **first and last name** in the email in order to confirm completion.

Notes must be received no later than Wednesday, **March 29, 2023**. It is **MANDATORY** that these readings be completed. Failure to do so may result in cadets staying in level 2 for the next training year.

Any questions can be directed to the following email address: 692accl@gmail.com
